---

**Management at your local facility will review your request and make a decision based on level of support by facility and employees.**

**If supported by facility:** the Steel Dynamics Foundation will email you a Grant Application. You will complete the application, provide financials, and return the Grant Application directly to the Steel Dynamics Foundation.

**If local SDI facility has not been involved with your organization:** management may consider, at their discretion, to forward your request to the Foundation, to hold for consideration of a donation from their facility, or to decline the request. Please understand, due to the high volume of requests received, we are not always able to respond to all requests. If you do NOT receive a Steel Dynamics Foundation Grant Application, please be advised that we are unable to consider your request at this time.

**Please allow several weeks for a response.**
